Ar. Mr. Dinesh Warade has valuable and rich experience of over 25 years in various aspects of Architectural Consultancy, design and valuation.

Project Management Consultancy, Turnkey Interior Project Consultancy and Others.

As an entrepreneur he organizes internal as well as external factors so as to provide efficient services. He develops clientele and nurtures professional relationships, determines goals for every project and ultimately delivers final schematics. In due course he acts as an educator, a catalyst for deeper change, a resource manager and a facilitator. The leadership of the process thus remains within the organization. He communicates his Vision effectively and puts the same into action by selecting competent personnel. His strategic business planning and implementation has always helped the Firm to grow.

With a specialization in Architectural Design, Structural Planning, Electrical Layout, Conceptual Design, Interior Layout, Valuation, Panel Architect with Thane Municipal Corporation, Ar. Dinesh Warade has been involved in JNNURM and BSUP projects.

Under his guidance the team has executed various projects in Government sectors such as MHADA, BPCL, Thane Municipal Corporation, Maharashtra State Police Housing Welfare Corporation, Latur Municipal Corporation, Roha Municipal Council, Ambarnath Municipal Corporation, Akola Municipal Corporation, Amravati Municipal Corporation, Nagpur Municipal Corporation, Indian Logistics Corporation and others.
